

SAVE FOR SUCCESS

The difference between the rich man and the poor man is generally that one saved and the other did not. No matter how much you earn, you will never be wealthy or independent if you spend it all. Spare time and spare money are the poor man's capital. Success in life depends on the returns from that capital.

If you would win advancement and prosperity, invest your spare money in a bank that pays a liberal rate of interest on Savings Deposits. Then your capital will become a source of power and prosperity.

Helen Kellar coming.

Mark Twain once named Napoleon and Helen Kellar as the two most interesting characters of the nineteenth century. All the world knows how the uncommonly bright nineteen-months-old baby girl of Tusculum, Alabama, was robbed of her three major senses by an attack of acute congestion of stomach and brain. At two years of age Helen Kellar was a powerless, rudderless atom unable to control even the most elementary of bodily functions, and in a household less lighted by love she might have been neglected as an insufferable affliction. Helen Kellar will lecture at the Armory March twenty-fifth under auspices of the Sunshine Society.

CHURCH ANNOUNCEMENTS.

Congregational.
The usual services at the Congregational church next Sunday. The pastor will occupy the pulpit at both services. At the evening time he will begin a series of sermons upon the subject, "What Must the Church Do to Be Saved?" The subject for the first sermon, "Some of the Problems Before the Church Today." A cordial welcome extended to everybody.

The House of Prayer.
Cannot say as yet with regard to services next week. Will be announced from the pulpit and in the Bulletin. We do not feel sufficiently gifted to speak on the many topics of the day, but can put forth an earnest plea for men and women to clean up, with God's help, and receive his peace. Sermon topic Sunday morning, "To Attain Unto the Knowledge of the Son of God." Sunday evening, "Satan: His Origin, His Mission and His End." Frand Lindblad, pastor. Methodist.

The second of the series of booster sermons will be delivered at the Methodist church Sunday evening. The theme is "Fruits." Good music. Presbyterian.

Dr. Carnahan will speak upon the following themes Sunday morning and evening: Morning, "The Shepherd's Psalm;" evening, "Chain Making."

Genuine Loyalty.

C. F. Shepherd & Son, local piano dealers, have sold several pianos and one fine player-piano to Ashland people within the last week, and it speaks well for the home dealer when a purchaser, after allowing an out-of-town firm to place an instrument for some time in their home on trial, to decide to buy of the home dealer, as he is the one from whom you get bargains, and furthermore it is flattering to have a party, having bought a piano of an outside firm hastily, to call on C. F. Shepherd and say, "Why, that \$157 piano of yours is larger, looks better and sounds better than the one we bought of an out-of-town firm a few days ago."

C. F. Shepherd & Son have met competition from all quarters, and many times our city has been invaded by what seemed to be strong and powerful combinations, that seek to get all your cash that is possible to build up their own town and leave as little "value received" as possible, and nothing to help keep up the schools, taxes and civic improvements.

Our slogan is, "Light expense for dealer, big bargain for purchaser, firm permanent and reliable." Do not buy in haste. Give C. F. Shepherd a chance to place a piano in your house in competition with others for trial and comparison. 1t

ASHLAND, OREGON.

To the Housewife.
Madame, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds you will find that Chamberlain's Cough Remedy stands high in the estimation of people who use it. It is prompt and effectual, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.
